2006 INTERNATIONAL BUILDING CODE

Dear Mr. Weisner:

Plans for the subject facility have been reviewed by this office for conformity with the State Fire Safety Regulations and are hereby approved as corrected by your submittal of April 9, 2008. Enclosed is a certificate of approval that must be posted on the premises until completion of the above facility. **It is prohibited to occupy this building until construction is completed as approved.** Any changes to the approved plans must be submitted to this office for review and approval.

Approval of submitted plans is not approval of omissions or oversights by this office or noncompliance with any applicable regulations of the Municipal Government. The plans have not been reviewed for compliance with the federal Americans with Disabilities Act or structural requirements.

It must be understood that the inclusion of and compliance with State Fire Safety Regulations does not preclude the necessity of compliance with the requirements of local codes and ordinances. If we can be of further assistance in this matter, please feel free to contact us at the address below.

Sincerely,

Nathan L. Rocheleau
Deputy Fire Marshal I
